What to do during Earthquake?

- Be calm, don't be panic.
- If you are in the high rise building or theater or shopping mall i.e. public places, don't try to run out.
- Take shelter with helmet/cushion under the table/desk/strong furniture or beside.
- Be far from Bookshelf, Almari or furniture which is not anchored.
- Put off the gas & get out if you are in the kitchen.
- If possible, switch off the electric or gas connection.
- Never use lift.
- Do not jump from the window, roof and other places.
- If you are outside, do not enter into the house, be away from tree, high-rise building, bridge, electric poll; take shelter at the open place.
- If you are in the car, stay inside, stop car avoiding the over bridge, flyover, tree, high-rise building or electric poll.
- Be away from the window and hanging objects.
